PIZZA BANDOVS / FOURS À PIZZA

In korte tijd een grote hoeveelheid pizza's bereiden

De ovens beschikken over een gepatenteerde airflow-technologie om de baktijd voor items zoals pizza met 30% te verminderen. Bovendien kunt u in deze bandovens niet alleen heel goed pizza's bereiden, maar ook tal van andere heerlijke maaltijden. De Lincoln pizza bandoven is relatief klein van afmeting, maar zeer krachtig en met een grote inhoud. De pizzaoven is gemaakt van roestvrijstaal. Bij grote bakcapaciteit kan men de pizza bandoven stapelen tot maximaal drie ovens.

Préparez une grande quantité de pizzas en peu de temps

Les fours ont une technologie brevetée de circulation d'air permettant de réduire de 30% le temps de cuisson des articles tels que les pizzas. En outre, vous pouvez non seulement préparer de très bonnes pizzas dans ces fours à bande, mais également de nombreux autres plats délicieux. Le four à pizza convoyeur Lincoln est de taille relativement petite, mais très puissant et avec un contenu volumineux. Le four à pizza est en acier inoxydable. Avec une grande capacité de cuisson, le four à bande peut être empilé pour un maximum jusqu'aux trois fours.
